

THE INTERNET

Protecting Yourself Online

Cyber Responsibility

- How do you use the Net?
- Do you tell stories about others?
- Do you laugh at others online?

Cyber Bullying

- Use of the Internet to threaten and harass someone
- Telling lies, posting pictures, stealing passwords
- Can be very hurtful and harmful

How Do YOU Stop Bullying?

- Don't respond to it
- Don't pass it on
- Don't encourage others to do it
- Stand together against it
- Report it

Focus on Protecting These:

- Name
 - Identity
 - Reputation
-

Teen Social Networking Sites

Hey cuzzz No more revealing pics. No talk of kissing boys.
And take ur personal info off (ur high school)
so I don't have to chase down crazy peeps.
Other than that. I'm fine.
How r u? sorry for being MIA.

You Can't Take It Back

- Be careful with pictures of you and others
- What's on the Internet may be there forever
- Don't share your password
- You can be suspended or prosecuted for using the Internet to threaten or harass

Once it's on the Internet

YOU DON'T OWN IT ANYMORE

Online Relationships

- Strangers online are STRANGERS
- Online gaming can be dangerous too
- Time does not equal friendship
- Never meet in real life with someone you “MET” online

Warning Signs

If someone tries to:

- Isolate you from friends
- Turn you against your family
- Make you keep everything a secret
- Send inappropriate material
- Threaten you

Internet Safety Tips

- Talk to a trusted adult if you are uncomfortable
- Don't respond to rude messages
- Protect your personal information while gaming
- Protect your password

HAVE FUN ONLINE

BE CAREFUL & SMART

PROTECT YOUR

**NAME, IDENTITY &
REPUTATION**
